**Duties, VAT & Taxes:** Canadian taxes are chargeable on all Canadian deliveries. Customs Brokerage, Duties, VAT & taxes of any type are the responsibility of the Purchaser for all International deliveries.

**Product Availability & Ordering:** Tenor products are built to order with a standard order interval of approximately 4 to 5 months. 50% deposit is due on order before build can begin and remaining 50% is due prior to shipping. All payments are by Bank Wire only. Standard finish is lacquered cherry wood. Optional Piano Black Lacquer is available for \$2500 cad per chassis.

**Shipping to Client:** All prices are FOB Montreal Tenor factory.

**Pricing & Warranty:** Every effort is made to maintain consistent pricing for entire year, however, Tenor reserves the right to change pricing and order intervals at any time. All figures are in Canadian dollars (cad). 5 year limited warranty including vacuum tubes.

**Upgrades to Haute Puissance:** Upgrade MSRP from 175S to 175S HP & 350M to 350M HP are the differences in the MSRP plus a \$5000 cad surcharge for the 175S and a \$10,000 cad surcharge for the 350M for the dismantling, remanufacturing and reassembling to the Haute Puissance.
